Wildix Compatible Headsets – Jabra, Plantronics, Sennheiser, JPL, Axtel

 Wildix has collaborated with Jabra, Plantronics, Sennheiser, JPL and Axtel to integrate different headset models to work with the majority of Wildix devices.

In addition to Jabra, Plantronics, Sennheiser, JPL and Axtel integration, Wildix offers its own series of headsets – monaural, binaural and bluetooth models (WHS): [WHS – Wildix headsets](#)
